14.1 References to liability in this clause 14 include every kind of liability arising under or in connection with this Agreement including but not limited to liability in contract, tort (including negligence), misrepresentation, restitution or otherwise.

The limitation of liability in this clause 14.4 shall not apply in respect of any damage to or theft of the Staydia Hardware (including, but not limited to, any camera). To the extent any of the Staydia Hardware (including, but not limited to, any camera) is proven to have been damaged at the Premises or stolen, it is intended, unless otherwise agreed between the Parties, that the cost of replacing this damaged or stolen Staydia Hardware would be recouped in full by Staydia out of the Net Subscription Revenue, on the basis that such replacement cost would be netted out and deducted from the Net Subscription Revenue prior to calculating any Net Subscription Revenue due to be shared with and paid to the Partner in a given year.

14.5 In no event shall Staydia be held liable to the Partner for any of the following losses:

14.5.1 loss of profits;
14.5.2 loss of sales or business;

17.5 **Waiver.** A waiver of any right or remedy under the Agreement or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent right or remedy. A failure or delay by a Party to exercise any right or remedy provided under the Agreement or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under the Agreement or by law shall prevent or restrict the further exercise of that or any other right or remedy.

17.6 **Severance.** If any provision or part-provision of the Agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause 17.6 shall not affect the validity and enforceability of the rest of the Agreement.
